## You Can Help Your Library Keep New Books Coming to the Shelf

Over the last two years of state funding cuts to public libraries Franklin County Library System has lost 1/8 of its overall operating budget, about \$255,000 per year.

Everyone likes to see new books on the shelves by their favorite authors and on their favorite subjects. With a gift at the level of your choice, you can help by adopting a single book, your favorite author, your favorite subject, or your favorite fiction genre for 2011.

You can use the form on the right to choose your favorite library and your giving level. Then drop the form off at your library with a check payable to Franklin County Library System.

Each book that you adopt will contain a bookplate recognizing you or an honoree of your choice.
